

UQAM, Montreal

VitrineHN DHShowcase 24 janvier 2014

Conference Invitation DHShowcase / VitrineHN 2014

The Laboratoire d'analyse cognitive de l'information (LANCI), in collaboration with the Centre de recherche interuniversitaire sur les humanités numériques (CRIHN) is pleased to invite you to the DHShowcase Annual Conference, which is to be held on January 24, 2014 at UQAM.

The DHShowcase provides a flexible platform for the promotion and dissemination of innovative transdisciplinary research by junior and senior researchers from Montreal. While offering an open and casual venue for dialogue, the DHShowcase demonstrates how the meeting between technology and the liberal arts can foster creativity and advancement in the humanities.

Themes such as digitization, recommendation engines, or computer-assisted analysis of non-digital media (such as dance) will be explored in French and in English by scholars from various institutions in Montreal.

When: Friday, January 24, 2014, from 1:00 p.m. to 5:45 p.m. (including a 45 min. break with complimentary refreshments and snacks).

Where: Université du Québec à Montréal, DS pavilion, Room DS-R510. Free attendance.
